

Notes from the Librarian

Grades 3-5 Name that Book members competed on Wednesday, March 1.

Team members are: *Andrew Sazykin, Stacy Shih, Saanvi Sadana, Tanvi Dubey and Oluwateyin Aghedo.*

Join me in congratulating our winning 3-6 NTB teams. We tied in first place with Herod with a possible 18 out of 25 points. In the sudden death tiebreaker, Herod became the first place winner in the preliminary. Kudos to the Name that Book team members. They did a fantastic job at the competition last Wednesday.

Lisa Pliner, a Houston native and alumnus of Kolter Elementary School, a successful shoe designer along with her husband Donald, has written a new children's book entitled 'A Puppy's Dream Come

True' that shares the true story of her maltese, Babydoll Pliner, through her own puppy dog eyes. Lisa will be in Houston for a book signing at Barnes & Noble on April 22nd, and will stop by her alma mater (Kolter) on the 25<sup>th</sup> of April to perform a reading from her new book for our K-2 students.

*Thanks to all who participated in The Houston Bar Association poster design contest. We have six (6) participants who submitted posters. They are Oliver Hoffman, Cordelia Siegel, Eleanor Siegel, Patti Hu and Kristofer Melendez. Thank you Cougars!!
